## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Office of Administration**, the **Department of Public Safety - Missouri Highway Patrol** and the **Office of the State Courts Administrator** each assume the current proposal would not fiscally impact their respective agencies.

In response to a previous version of this proposal, officials from the **Boone County Sheriff's Department** assumed this could potentially cut down the amount of time spent in copying/disseminating video recordings related to open records requests. It is unknown how much of a savings may be experienced.

In response to a previous version of this proposal, officials from the **Cole County Sheriff's Department**, the **Central County Fire and Rescue**, and **Springfield Police Department** each assumed the proposal would not fiscally impact their respective organizations.

In response to a previous version of this proposal, officials from the **City of Columbia** assumed the proposal will result in filling fewer requests ultimately saving the department time as well as funds associated with the research and filling of requests. The precise amount is currently unknown.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

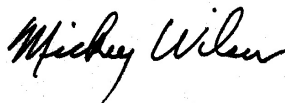

FISCAL DESCRIPTION

This proposal specifies that a video or audio recording from a law enforcement officer's dashboard or body camera will not be accessible to the general public. Information consisting of the date, time, specific location, and immediate facts and circumstances surrounding the incident recorded on the device will be considered an incident report and subject to the Sunshine Law. The recording will be available upon request by a law enforcement agency, the Division of Workers' Compensation, or with a valid court order.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
